Checks should be made to Powhatan Youth Group. We'll send in one check and one list. Children 13 and under must have a parent or responsible adult register to stay with them. The Youth Fund will pay the lodging and meals for youth group members only. You **must register**, and anyone who registers but then does not go will have to **reimburse** the Youth Fund. T-shirts and concessions will **NOT** be paid by the Youth Fund. Parents will need to cover those extra costs if they choose to make any purchases. Anyone who does not complete a registration form and turn it in by the deadline **will not** have any expenses paid. If there are any questions about meals or lodging or registration, see Wanda Benson.

(Note: If not lodging on campus, parents will have to look into renting rooms at a hotel.)

The group will leave on Friday afternoon and return Sunday. **We will not be able to take the bus Kristen will be out of town.**

All the youth that go enjoy the weekend and sharing with each other and other churches. Rooms are usually assigned in a block so we can all stay together in the dorms or apartments. Linens or sleeping bags and pillows are needed as well as personal toiletries, any snacks, Bible, paper & pen. Make sure to bring extra clothes for Water activities.

The only other expenses will be Friday's supper and any spending money for snacks or for t-shirts or other mementos.
